### HEADTEACHER'S MESSAGE

Dear Parents and Carers,

This is the last newsletter of the year and there is so much to share and celebrate!

Last week, our KS2 SATS results came through and **this year again, we are above national averages in all areas!** This is a real testament to all the hard work the staff and children have put in throughout the year. We are incredibly proud of this achievement. All children have made progress from their starting points and they should all feel a real sense of achievement as they get ready for their final week of primary school! Thank you to all parents for your support throughout the year in getting the children to this point.

End of year academic reports were sent home this week for the whole school. The reports outline your child's academic progress and achievements throughout the year. We hope you enjoyed reading them and taking time with your child to reflect on all they have achieved.

As always at this time of year we say goodbye to some of our staff and welcome our new staff. Maya (Y6), Patrick (Y4) and Saskia (Y3) are all moving on from Newington Green this year. We will be sad to see them go but wish them all the best in their new roles. I want to take this opportunity to thank them for all their hard work and commitment to Newington Green.

On Tuesday, we had our new teachers in to spend time with their classes. The children were excited to meet their teachers. I am sure they have shared with you already but just in case they have not, please find class deployment below:
